Dear Congregant:

Thank you for inquiring about a leaf on our Simcha Board. It's a lovely way to commemorate a happy occasion and share your joy with the community in a lasting way.

The cost of a bronze leaf personalized with an inscription (2-4 lines) is \$360.00. The leaves are approximately 1½" by 4".

You may also choose to have a stone engraved for placement below the tree. There are two sizes. The smaller stones are \$1000.00, and the larger ones are \$2500.00.

Please indicate the inscription you want and whether you would like a leaf or a stone.

Sincerely,

Juli Scherer
